

DJ 01 ISO 7040-DIN 982-UNI 7473 - Zinc plated steel hexagon nylon insert lock nut, property class 8

TECHNICAL DATA SHEET

M	diameter of the metric thread
h	nut height
SW	wrench size
R_m	stress under proof load
A_s	stress area
N	proof load

Additional information

Reference standard: class 8 according to EN ISO 898-2

Coating: Zinc plated 5 µm, CrVI Free

Material: Carbon steel

Fire reaction: A1 according to EN13501-1
